**BIRMINGHAM-BASED AUDIO VIDEO EXCELLENCE INC. ANNOUNCES PARTNERSHIP WITH  
COMMUNICATIONS UNLIMITED, INC.**

*CUI IS A NATIONWIDE LEADER IN CABLE INSTALLATION SERVICES*

**Birmingham, Ala. (March 27)** – Birmingham-based Audio Video Excellence Inc. (AVX) has merged with Communications Unlimited, Inc. (CUI) in a partnership intended to set new standards for audio video service providers. Over the past 19 years, AVX has become synonymous within the A/V industry for ingenuity and superior customer service. Likewise, CUI has spent the last 24 years becoming one of the premier cable installation service providers in the country, bringing a highly service-oriented philosophy. The mission of these industry leading forces will be to use CUI’s significant experience to assist the AVX team in providing the best the customer experience and best employee experience in the industry.

“When we were looking for partners in the audio video industry there was one clear choice – AVX. We are clearly impressed by their leadership team and their reputation in the industry,” stated Joey Miller, President of CUI. “We will continue the tradition of the AVX brand and continue with the same industry leading management team. By combining the team and reputation that AVX has built with CUI’s talent and resources, we will provide every customer with the best experience possible.”

“It is a once in a lifetime opportunity to be able to work with a company like CUI,” stated AVX founder Jared Lewis. “Over the past 19 years we have enjoyed a great deal of success and fully intend to grow and serve our customers. The opportunity to partner with CUI has opened the door for something

special - to pioneer a new standard of service and platform of growth within the A/V industry. We look forward to providing this new standard of serve for our customers and employees.”

The new entity will be headquartered at the current AVX location at 2560 18<sup>th</sup> Street South, Homewood, Alabama 35209.
